

Utah's Title II Formula Grants

Background: These grants are funded through the Title II Formula Grant from the Office of Juvenile Justice and Delinquency Prevention to create new and effective delinquency prevention/intervention programs. Projects may receive up to four years of declining funds.

Grantee / Program Title	Program Description	Year	Grant \$
<i>Juvenile Justice Services/ JJDP Act Compliance Monitoring</i>	Monitors Utah's compliance with JJDP Act core requirements. Includes monitoring juvenile lock-ups, facilities and temporary holding facilities. http://www.hsdyc.utah.gov/index.htm	On-going	\$91,100
<i>Juvenile Justice Services/ Juvenile Jail Removal</i>	Funds ensure that minors are not locked up in adult facilities. Covers costs of transporting youth to juvenile facilities. http://www.hsdyc.utah.gov/index.htm	On-going	\$23,000
<i>U of U CJC/ Outcome Evaluation</i>	Outcome evaluation for all of the UBJJ projects providing direct services to youth. Uses pre & post tests of risk/protective factors and Youth Outcome Questionnaires. http://www.law.utah.edu/ucjc	On-going	\$50,500
<i>South Salt Lake City/ SSLC Substance Abuse Prevention</i>	Serve 60 children and youth, grades K-6, in the Lincoln Elementary catchment area, and their families for 38 weeks (coinciding with the school year) with 3 model programs- Too Good for Drugs and Violence (K-6), SSL Police Athletic/Activities League (PAL), and the Strengthening Families Program. http://www.ssl.state.ut.us/parks/youth.html	2	\$37,500
<i>Center for Family/Development Choices</i>	Serve 30 youth in Salt Lake County who are on probation for sex related crimes. Probationers will attend CFD's out-patient program as a means of meeting court treatment requirements.	2	\$68,400
<i>Community Center/Boys & Girls Club of Green River/ Too Good for Drugs</i>	<i>Too Good for Drugs</i> teaches students that they are too good for drugs and equips them with the knowledge, skills and attitudes needed to remain drug-free. The program is based on the latest research about resiliency, risk and protective factors, and developmental assets-factors which research has identified as critical for young people's successful growth and development. The program provides students with the proactive support, positive role models and high expectations that research has shown to be the building blocks of healthy development. Will serve 133 students.	2	\$41,326
<i>Colors of Success Connections</i>	Target 50 minority youth in the Park City area who are 1 st & 2 nd time offenders to participate in a 12 week, 2-hour session, life skills curriculum. Examine the youth & parents cultural competencies, identify & confront personal resistance, anger & fears that impact their experiences in the community. Coordinates with juvenile court, JJS & other referral agencies. http://www.colorsofsuccess.com	2	\$52,490
<i>Juvenile Justice Services Uintah Basin Area Youth Services</i>	Partnering with the Ute Tribe & local school district, the program will provide outreach services to 15-20 at-risk Native American and 8-10 female students on a monthly basis, in the form of group and individual counseling. Educational groups pertaining to substance abuse & other identified risk factors with the school system. http://www.hsdyc.utah.gov	2	\$66,636
TOTAL			\$430,952

Utah's Title V Community Prevention Grants

Background: Funded through the Title V Community Delinquency Prevention Grant from the Office of Juvenile Justice and Delinquency Prevention. Grants may only be made to units of local government and are limited to 3 years of funding. Subgrantees must complete OJJDP training and community needs assessments to qualify for this grant.

Grantee/ Program Title	Program Description	Year	Grant \$
Tooele County/ Youth Services	Establish an easily accessible site in Tooele County to serve more than 142 youth in crisis. The project will provide transportation to Tooele County Youth Services, assess needs of participating youth and connect them with appropriate services within the community. http://www.co.tooele.ut.us/tcys.htm	2	\$45,942
TOTAL			\$45,942

Utah's Gang Reduction Grants

Background: These grants are funded by the State of Utah for projects aimed at reducing gang activity. Projects are funded on a year-to-year basis for a maximum of three years.

Grantee/ Program Title	Program Description	Grant \$
Ogden Weber Community Action Partnership / Community Involvement, Reentry, Opportunities, Social, Suppression (CROSS)	Juvenile Court and Juvenile Justice Services will refer up to 160 high risk youth involved in gang activity, ages 14-18, to CROSS based on their PRA scores. A steering committee of community organizations will oversee youth at risk and assist in taking intervention measures. The intervention and re-entry coordinators will each manage 15-20 adolescents for a minimum of ten weeks. The project's goal is to reduce gang membership and at-risk behaviors for CROSS participants: <ul style="list-style-type: none"> • Reduce antisocial attitudes and behaviors for CROSS participants. • Increase participation in pro-social involvement (family, community, school, & peers). • Reduce the favorable perception of alcohol and other drug use. • Reduce academic failure for CROSS participants. • Increase career readiness skills for CROSS participants and their immediate family members. The majority of the grant money would be used to hire 2 FTEs: a Youth Intervention Coordinator and a Youth Re-Entry Coordinator. The core curricula, Aggression Replacement Training (ART), rated as effective.	\$156,700
Provo Gang Project / Early Intervention for Gang Involved Youth	The program will provide early intervention services to 100 high-risk gang-involved youth and their parents residing in Provo. Participants will be identified through court-order in Lightning Peak or through referral by other PGP member agencies. Non-court order referrals will be given the PSRA to determine risk levels. Most of the grant money will be used to hire 1.75 FTEs. Services will include: 1) The Strengthening Families Program; 2) Individual & Group Therapy; and 3) Outreach home visits. Strengthening Families is listed as an Exemplary program for high-risk youth in the OJJDP Model Program Guide.	\$96,600
TOTAL		\$253,300

Utah's Juvenile Accountability Block Grants

Background: These grants are funded through the Office of Juvenile Justice and Delinquency to improve accountability within the juvenile justice system. The Utah Commission on Criminal and Juvenile Justice makes grant funding decisions. The bulk of the grant funds are retained by the state to improve the juvenile justice system. There is no funding time limitation for these grants.

Grantee/ Program Title	Program Description	Grant \$
<i>Division of Juvenile Justice Services/ Graduated Sanctions/Community Programs</i>	Covers the placement costs of approximately 16.5 “medium level of care” and “highest level of care” placement slots (including juvenile sex offenders) over a period of 6 months (Oct.1, 2007 – March 31, 2008). Calculations show that the average daily placement cost is about \$125 per day. The total amount of this grant will purchase approximately 3,025 placement days. Out-of-state placements are expected to comprise over 50% of the total paid placements.	\$271,425
<i>Administrative Office of the Courts/ Court Programs Evaluation & Improvement</i>	The Juvenile Court will continue to implement the Correctional Program Checklist (CPC) for all contracted programs that have a sufficient number of court-referred youth. In addition to the CPC, this project will continue to develop the knowledge base of court staff through attendance at national conferences and by submitting proposals to present at national conferences on Utah's EBP experience so that other states may benefit. In turn, the information gained at these conferences will be used to enhance local EBP training for probation officers and community partners. The courts will also implement an evidence-based truancy intervention program following an intensive literature review and assistant from a program consultant.	\$85,493
<i>Administrative Office of the Courts/ Interstate Compact for Juveniles</i>	The Interstate Compact for Juveniles office, located in the Administrative Office of the Courts is lead by a Compact Commissioner appointed by the Governor. This office pays dues to the national compact office, conducts the day-to-day operations relating to the compact, and is responsible to set up a state council. Approximately 300 youth compact in and out of the state of Utah on an annual basis. This grant would underwrite the dues owed to the national office, form a state council, and enhance training to staff and law enforcement on the compact process.	\$48,907
<i>Administrative Office of the Courts/ PO/DPO Safety and Management Training</i>	Deliver 14 safety training classes to over 200 Probation Officers (PO) and Deputy Probation Officers (DPO) that includes non-violent crisis intervention, searches, handcuffing, transporting, and other safety issues. The RESTA Conference will train over 80 staff and supervisors on work crew safety. The management training will train 125 managers on leadership issues. The implementation of the JSORRAT II will train over 100 staff, judges, attorneys, and private providers on the actuarial risk assessment tool. Three to five staff will be able to attend national training and make presentations at conferences.	\$95,000
<i>Administrative Office of the Courts/ Juvenile Court Report Card</i>	A Report Card to the Community outlining the progress of Juvenile Court in reaching benchmarks of performance including: re-offense rates, community service hours ordered and completed, restitution owed and paid, drug and alcohol use among probationers, or similar measures of progress. The report will be disseminated through newspaper publications, brochures, and the internet.	\$19,000
TOTAL		\$519,825
